

Black Pantone 248 Pantone 322

This product is an environmentally friendly tile and water cleaner. Nature's own enzymes help eradicate grease, oil and scum build up caused by body oils, suntan oils, and other contaminants. When used to treat an existing water or filter problem, results will be visible in 2 to 3 days. This product will not affect water balance. No waiting is required.

DIRECTIONS

Initial Application: Add this product directly to the circulating spa water at the rate of 1 ounce per 500 gallons. Allow to circulate thoroughly. A second application may be necessary after 2 days if a severe problem exists.

Maintenance Application: To maintain crystal clear water add 1/2 to 1 ounce per 500 gallons of spa water weekly.

CAUTION - EYE IRRITANT

FIRST AID PROCEDURES: EYES: Flush immediately with plenty of clean running water. SKIN: Flush immediately with plenty of soap and water.
